Brandon

Age: 23 Born: Sep. 26 Ht: 5'2" Wt: 123 Lbs. Bras: 34DD
Panties: Hipsters Anal: Of course BJs: Swallow
Key Largo, Florida Office worker

"Obviously guys are obsessed with my boobs," Brandon told us. "They are the first things that dudes notice about me. That does not surprise me. I like to put them out there. I dress to impress. In fact, unless I'm going to a fucking funeral or something, I'll be rocking a massive amount of cleavage. It's sexy. It's feminine. I love when guys are showing me attention. It doesn't hurt that my nipples are hyper-sensitive, too. I love when a guy sucks on them."

“When people just see my name, they confuse me for a guy. Well, they’re confused until they meet me, at least! My dad always wanted a boy, so I grew up acting like one. I was always the first one to climb a tree. I would volunteer to play catcher when my friends and me would play baseball. I guess I’m a tomboy. I wouldn’t call myself masculine, though. I was never hurting for dates in high school. I always had guys hanging out with me and trying to see or touch my chest. I’d let them do it, too! I probably flashed every single guy in my neighborhood when I was growing up!”

“I’m all about having my pussy eaten out. It’s so fuckin’ good.”

“I masturbate all the time. It’s healthy! I never feel as glowing or as happy as when I’ve just made myself cum. Most women are that way. If you see that pretty girl at your office, or the cashier at the grocery store, or one of your sister’s friends, and they’re in a really happy, chipper mood, they were probably just fingering their pussy and rubbing their clit moments earlier. That’s a fact! I love when guys are like, ‘What’s the secret? You look so happy!’ And I’m like, ‘If you only knew.’”

"I love a good titty fucking! Make sure to cum on them, too."

Reader Confessions

Pheromones are in the air! Real readers put pen to paper to tell us about their craziest, sexiest and hottest spring flings.

LAID-OVER ON SPRING BREAK

Dear Newcummers,

My freshman year in college was lonely. I didn't know anybody and my love life was less than stellar. That is to say that women looked at me like I was an ant. It was probably because I'm built like an ant. I'm scrawny and my arms look like spaghetti. I tried taking a weight training class in my first semester, but a group of girls laughed me out of the gym after I asked if I could use their dumbbells.

Even though I wasn't popular, I wasn't happy about joining my parents on a week-long trip to Florida to see Gam-Gam and Pop-Pop. But, like my folks told me, they helped with my tuition so I owed them. I dutifully boarded the plane in order to meet my parents in Miami and take a rental car to my grandparents' house. It wasn't the end of the world, I told myself. Maybe I could sneak away for an afternoon and get lit on the nude beach. As soon as I boarded the plane I fell asleep in my seat.

I woke up to the captain telling us that due to lightning storms, our flight was being diverted to Jacksonville. "Great," I said out loud. "Now I have to sleep in the fucking airport."

"Sucks to be you," I heard a voice behind me say. I turned to see a blonde girl in a jean skirt snickering to herself. "Maybe your snoring will keep everybody there up, too."

We started talking and before too long Amy offered to take me in for the night. "If it's a bad lightning storm, there won't be any flights out tonight," she said. "Besides, my friend's throwing a party and told me to bring a date, and you're cute...in a lost puppy kind of way."

The party was pretty uneventful, except for when Amy made me take a shot of tequila out of her belly button! I don't know how much of her attraction to me was because of the booze or sheer boredom, but I didn't care. I was finally getting somewhere, and I wasn't going to let it slip through my fingers! I pulled her into a closet and quickly ran my paw up her skirt. It was the first time I'd ever felt a pussy,

> **"...I KNEW HOW TO PULL APART HER WET FOLDS..."**

but almost instinctually I knew how to pull apart her wet folds and penetrate her hole with my digits. I'll never forget how deep and satisfied her moan sounded in my ear.

I'll also never forget the feeling of her pouty lips wrapping around my shaft. It was the first time I'd ever had head, and she didn't hold back. Her mouth went agape and took the majority of my cock into her throat on the very first go. I knew I was going to cum fast, so I wanted to make sure I got some pussy. I was going to get my dick wet no matter what. I pulled her to her feet and spun her around. Before she could say, "Grab a rubber," I was shoving every inch of my manhood into her sopping wet mound. Three pumps and two seconds later, I was pulling out and spraying an embarrassing amount of cum onto the back of her thighs.

Amy's laughter at that point sounded eerily like the laughter of those girls at the gym who thought I was a pipsqueak, but I didn't care. I felt like a man for the first time in my life. I had to take a cab back to the airport that

"Surely this will get a rise out of my boyfriend," Taylor told us via email. "He's had a tough go of it lately. He was sacked from his last job because he was going to school full-time and couldn't keep up with his hours. Now he has to work nights and weekends. I hardly see him! All of this stress has started to affect his sex-drive. He took these photos of me a few months before all of this, though. I've decided to submit them to you because I think he'll enjoy seeing his girlfriend in a nudie mag."

“Guys always want to take naked pictures of their girlfriends. They probably always have. My boyfriend brought up the idea like he was the first bloke to have thought of it! I didn’t have the heart to tell him that I’ve let all of my previous guys do it, too. I love posing! It makes me feel so sexy and erotic and beautiful. I don’t think any people other than my guys have seen them, though. Sending in my photos to you is crazy awesome!”

“I hope you guys get a bunch of letters about me. I’d love to have my guy fuck me while we’re reading about how *Newcummers* readers have jerked off to my pictures. I think he’ll get off on that. He keeps asking me to do a threesome with another guy. I don’t know if I’m going to do it. I’d love to have a threesome with another girl because I’m bisexual, but I’m not sure about having two cocks at once. I think I’m really good at sucking cock, and I know I’m a good lay, but I have no idea if I could do both at once. I suppose there’s only one way to find out, though. Maybe the other guy could be one of your readers!”

"My pussy is almost as snug as my arse!"

"I have two favorite sex acts. I love having my pussy licked. I can orgasm from that very easily. I also love sex in the missionary position. I know it's lame and not very exciting, but it hits just the right spots inside of me and gives me very intense orgasms. Plus, it's always sexy when you can look directly into your lover's eyes while they're fucking you. It makes it feel so much more intimate and erotic. That being said, I enjoy a hardcore pounding from behind just like any girl. But when it comes to romance, I want to be on my back."

Alisa

Age: 20 Born: Apr. 17 Ht: 5'5" Wt: 132 Lbs. Bras: 36D

Perth, Scotland Midwifery student

“I hope you guys accept my pictures,” Alisa wrote us, as if it were even a question. “I’m in school and trying to find time to date, but it’s difficult with my hectic schedule. Still, a girl needs to get off, right? I’ve always had a fantasy about posing in a pornographic magazine. I wanted to be that girl who all the guys fantasized about and jacked off thinking about. A couple of weeks ago it dawned on me that it’s the right time. I don’t have a jealous boyfriend controlling me. I don’t have a job I can get fired from if they found out. Besides, I’m young. I’m allowed to be a little crazy!”

“Most men are obsessed with my breasts, but I’m not really a fan of them. I wish they were smaller. I’m so much fonder of my ass. I love when attention is paid to my ass. I’m not embarrassed to admit that I love a good, firm spanking. It drives me wild when a man takes me over his knee and brings his hand down hard onto my fanny. It’s not hard enough unless my cheeks are bright red and stinging. If he does that, I’ll be putty in his hands. I’ll do anything he wants.”

Rikki

Philadelphia, Pennsylvania Student

I'm game for almost anything in the bedroom," Rikki told us. "That wasn't always the case. I've actually always been a little shy, but I decided to just not give a shit anymore. I realized that everybody has their kinks, and that there's nothing wrong with that. We're all grownups, right? So if I enjoy when a guy licks my asshole or fingers it, I'm not going to feel shame or anything. In fact, I've met a couple of guys who wanted me to lick their asses, too. I did it, of course."

“I’ve got my belly button pierced. I think it’s cute. I like putting in different jewelry depending on what I’m wearing. I’ve been thinking about piercing my nipples, too. I’d never get my clit pierced because it would hurt way too much! I’m kind of jealous of my friend who has one, though. She told me that she can have orgasms while riding a bike or driving over a bumpy road.”

"You wouldn't believe how happy I was when these pictures were taken," Cece told us. "I'd been needing a vacation for fucking forever and my boyfriend finally got the hint. He bought us tickets down to Miami. He was a real dick about it, though. He told me that I owed him a bunch of blowjobs because of it. I didn't mind taking a couple of shots in the mouth if it meant I was going to be relaxing in the bright sunshine. I think it was worth it."

"Plane tickets
are an instant
pantie-dropper."

“I can’t believe my boyfriend only asked for blowjobs. I would have done anything he wanted in order to get out of town for a week. I mean anything. I would have finally let him fuck my ass. I would have picked up one of the beautiful Latina girls down on the beach and let him watch me eat her out. I would have done anything! He still had fun, though. It was probably because I was so fucking horny the entire time. The sunshine does that to me. We didn’t go a single day in Miami without me getting him off at least twice. I got off a bunch, too.”

“I walked around the
streets with my pussy
filled with cum.”

Balls-Deep Anal SPECIAL

Every hole is fair game for sluts

Not every girl is willing to take a big rod into her tiny butthole. That's what makes these girls special. They don't just deal with it. They fucking love it. They don't want it slow, either. They want the biggest cocks, the fastest and hardest poundings and they crave the taste of their own asses after their guys are finished plowing. Little Abby had only given access to her backdoor to her little-dicked boyfriends, so she didn't think twice about telling a stud to go for it. Then she saw his package. She might choose differently next time!

Jayden

Mae

Jada

Mae thinks that going for a ride on that cock will help her control the action. It just helps the dick slide further into her asshole. Jada takes it lying down like a champ. Cat is smart, she prepares her tight butthole with a plug, but that's just the beginning. Brittney likes a little ass slapping when she's butt-fucked from behind. Alessa knows it's all about giving the guy a show. That's why she leans back and fingers her pussy while riding.

Both Dolly and Mandy are tight, little teens with cunts as snug as their buttholes. So why do they let guys fuck them in the ass? It's simple. These girls crave having their butts stuffed and fucked hard for hours. What's the best part of plowing a girl in the butt? Is it the way that she squeals with pain and pleasure? Is it looking down and seeing your dick disappear into her nether-regions? Nope. It's pumping your jizz into her gaping asshole and watching as she squeezes every drop of your gooey man-seed out. Now that's the only way to satisfy a certified butt slut!

Kylie

You lucky sons-of-bitches are in for a treat! We've decided to devote the centerfold position in this issue to the lovely, furry and kind of slutty Kylie. She's originally from The Gold Coast in Australia. You could probably already tell that because of how wild she is *down under*! Okay, we couldn't help ourselves with that one. We probably couldn't help ourselves if we had an opportunity to meet Kylie, either. Her sexy, 22-year-old body is irresistible. She'd be game for a romp, too.

“I’ve got to be the horniest girl in the world,” Kylie shared. Of course, we wouldn’t let her make that comment without some proof. We’ve seen some seriously horny broads in our day. “Well, how about this? I was sucking this one lad’s cock when his flat-mate walked in. I demanded that he stay and jack off because I had a feeling his friend wasn’t going to have enough cum for me. They both ended up finishing all over my face.”

"Won't you please lick and taste my furry pussy?"

That story is pretty good, but that one incident doesn't make her the horniest chick in the world. In fact, most of the girls who submit their pictures to us have kinkier stories than that! We called Kylie on her bullshit. "Okay, do you want to know what turns me on more than anything else? It's when a man pulls his cock out of my pussy and spunks all over my pubes, then I pull up my panties and feel the jizz going cold and sticking inside my drawers."

Boca Raton, Florida Businesswoman

52-year-old Gia sucks such a mean cock that she could do it for a living. At least that's what our stud Tony told us. And he's a guy who gets his cock sucked professionally, so he knows what he's talking about. "The only reason I'm doing this photo shoot with you guys is to play with a big dick," she told us. "I'm looking forward to seeing myself in your magazine and masturbating to the pictures."

"Say my
name
when you're
fucking
me."

“I’m also looking forward to showing the magazine to potential lovers. It’ll be like one of those must-be-this-tall-to-ride signs at amusement parks, but instead of height it’ll be measuring cock size and stamina. I’m through with fucking men who lack in both departments. I’m at a point in my life where all I want is a big piece of meat between my legs and a strong orgasm. A nice bottle of wine wouldn’t hurt, either.”

“I want you to jackhammer my fucking pussy.”

“Just like every other woman, I love creampies. They’re the most fulfilling way to end a fuck session. That being said, if the guy has fucked the everlasting shit out of me, and I mean a good and proper pussy pounding, he can cum wherever and however the fuck he wants. He could even cum inside my ass! I’ll act like a slut if I get fucked like one. That’s a life lesson to all of your readers! If you want your woman to act like a little hussy, you’ve got to fuck her like you mean business. We’re all submissive, you just have to fuck us into submission.”

"You'd better coat my face good for the camera."

evening. And I had a jizz stain on the front of my pants when my parents picked me up from the airport. But I lost my virginity to a random slut on a layover in a college town, and I don't know anybody with a better virginity story. Maybe you guys can share it with your readers.–M.H., Canton, Ohio

MILF MADNESS

Dear Newcummers,

I was a few years out of high school when I first got with Mrs. Merrimack. Of course, Mrs. Merrimack is what I called her when I was a little kid, growing up next door. When I got a little older, I called her Deb. Now I call her Slut.

It began innocently enough. College basketball was on the tube and while I never attended college, I live in a town that is obsessed with round-ball. So it was a bummer when my cable went out right before the semi-finals. I jumped in my car and drove over to my parents' house. Bonus–they've always got cold beer in the fridge. Anyway, as I was walking up to their porch, Mr. Merrimack was watering his front lawn. I politely engaged him in conversation, but I really wanted to catch the end of the third quarter and he was droning. He must have noticed my anxiousness because he offered for me to come in and watch the game in his new projection room. He also mentioned he

"I love my small, perky tits. Don't you?"

“I had a lot of fun in high school,” Jenna told us. “I had a ton of friends and we were always getting into trouble. We had this thing where we would play truth or dare any time we got bored. It was really stupid, but it was also a lot of fun. One time in my senior year, my friend Stephanie dared me to start sexting a nerd in our biology class. It actually got really hot and heavy. He sent me a pic of his cock and it was huge! I hooked up with him.”

“I was really into sports, too. I had this weird obsession with running for a while. I loved that aching burn I got in my calves after a long run. I’d jump in the shower every afternoon and let the water soothe me. I’d always masturbate in there, too. The removable showerhead hits my clit perfectly. I cum in seconds when I use it. There’s nothing better than that feeling of being tired and fulfilled. It’s the same as a good fuck.”

"I want to fuck a guy who wears me out."

had a keg. Sold!

Fast forward to the end of the game. I had drunk five or six brews and eaten all the snacks Mrs. M laid out on the table in front of me. My eyes were only torn away from the giant projector screen when Deb leaned down to serve us some more cocktail weenies and her blouse opened enough for me to see nipple. For an old broad, she's got great tits. Mr. M. noticed my staring. Mr. M. apparently liked my staring. Mr. M. told me that I could do more than just stare if I wanted to. Fuck yeah, I wanted to.

When Deb came back into the room, I didn't waste any time. I wrapped

my arm around her waist and pulled her onto my lap. My boner was apparent. She yelped a bit as she landed, but immediately felt my bulge in her ass and looked to her husband for his reaction. It must have been positive because before I knew what was happening, she was grinding on my cock and her lovely tits were in my face. I felt her cunt start to get my shorts wet, but when I tried to finger her, she told me that her pussy was for another time. She just wanted me to enjoy myself. She pushed me back into the couch next to her husband and started to pull off my clothes. She then proceeded to slurp, suck and lick the jizz out of my very tight balls. Her expert lips and tongue ran all over my shaft, nuts and even my crack. She even knew when I was going

Lovely, little Layla is a rarity. She's an Asian Georgia peach. Every once in a while she lets her southern twang come out. It's adorable. Her dream is to become a model. She says that she didn't feel beautiful growing up in her predominately white, suburban neighborhood, but porn was an escape for her.

“I remember watching porn when I was younger and realizing that a lot of guys thought Asian women were beautiful. In school, the popular girls were always really tall blondes, and that’s definitely not me! I also remember thinking that I’d love to have a bunch of guys telling me I was beautiful and telling me how hard I can make them. It sounded like a dream come true! I only waited to take these photos because my parents are very protective and I hate disappointing them”

"I want a guy to stretch me as wide as I can go."

"I'm really horny all of the time, and I want to show everything off, but I'm still self-conscious about my pussy. I think my lips are too dark. The only good thing about it is how pink it makes the inside look in contrast. I've had guys tell me that they love how pink I am, and I'm like, 'Isn't every girl?' I'm also really shy about showing off my small titties. I wish they were bigger. I hope you guys like them."

"My professor took these photos of me," Willow told us. "I can't tell you where I go to school or what I'm studying because he could lose his tenure. I can say that my major requires me to spend one-on-one time with him. It's not unusual for me and my fellow students to go to his house to discuss projects. It's the perfect excuse for us to carry on our relationship. He also has a department camera there. One thing led to another and we started getting frisky in the yard. I was so giddy and horny that I actually became a little dizzy."

“I was completely inexperienced when I got to college. My professor literally taught me everything I know about sex. He wasn’t my first kiss, but he was my first for everything else. I’m totally in love with him. I think he loves me, too. I just wish the school didn’t have so many rules about faculty dating! Oh well, we still have fun whenever we can. That includes his office. He even bought me a naughty student outfit to wear. I bend over his desk and he gives me spankings! If we don’t get found out, I’ll send in more photos to you.”

"Sending my pictures in to you guys isn't even the craziest thing I've done since I turned 18," Audrinna told us. "I've got some really kinky interests and fetishes. For instance, I had a guy introduce me to bondage recently. I thought he was just being forceful, which gets me off, then he really started dominating me. He held me down by the wrists. I loved it! Then he asked if I would be okay if he tied me up. I told him to just go for it. About ten minutes later, I was strapped to the bed spread-eagle and he was fucking my ass. It was the hottest thing ever."

"Pay attention to my ass. It's not going to finger itself."

“I’ve always been experimental when it comes to sex. There’s nothing I won’t try. I’ve realized that I love public sex, too. In fact, I lost my virginity behind the local library. We were right there on the concrete walkway. The security guys were probably watching us on the security cameras. I thought about that while we were doing it, but it didn’t make me stop. It excited me. That’s why I sent in these pictures I had an ex shoot. I love the idea of people seeing me spread my pussy.”

"Pinch my nipples really hard when we fuck."

I got an invitation back for the next game and every game after that. I've even fucked her while Mr. M. watches, but she prefers sucking my cock on the couch next to her husband. I think it's weird, but I'm not going to look a gift MILF in the mouth.–J.R., Syracuse, New York

MY GIRL'S GIRL

Dear Newcummers,

Deep down I always knew that Mia was bisexual. I watched her make out with another girl on our second date. I

thought it was because she was trying to impress me with how wild she could get. Boy, she could sure get wild! She was an absolute monster in the bedroom. She could ride my cock like nobody's business. Her hips were a blur while she rocked back and forth, popping off orgasms faster than I could count. She loved having her hair pulled and her ass spanked when we fucked doggie-style. She always insisted that I finish in her mouth or on her face. She told me that sucking my cock after I was inside of her was perfect because she got to taste wet pussy and hot cum. In a few words, she was perfect.

I got the feeling after a couple of months that something was wrong. Some nights we would fuck and she would insist

Bradenton, Florida Restaurant hostess

"Growing up, my mom always stressed to me how important it is to be a good girl. That meant no smoking, no drinking, no tattoos, no edgy music and definitely no boys! I still don't smoke, and I'm only a social drinker, but I've pretty much ignored all of her other advice. I especially like boys. When I first started at my job, the other girls told me that I was boy-crazy. They told me to tone down my rampant flirting."

“I just love the way I feel when guys pay attention to me. It doesn’t matter where I am or what I’m doing, when a guy starts talking to me and letting me know how cute he thinks I am, my pussy starts to get really wet. And I mean really, really wet. I’ve even started packing an extra pair of panties when I leave my house so that I can change into a dry pair halfway through my shift at work. I get a lot of attention from guys there.”

"Guys, pay attention to the clit. It'll always be appreciated."

“I don’t just fuck all day,” Taylor joked with us. “I go to the beach a lot, too. In fact, the number one comment I hear from guys on dates is that I smell like suntan lotion. I use it as a moisturizer for my skin. I don’t want to get too brown! I heard about a nude beach near me that I think I’ll try out soon so that I don’t get tan lines! I can’t stand the way they look!”

"I love getting creampies from behind. I can feel every shot."

on leaving immediately. Sometimes I would plan elaborate date nights, but she would call me an hour before and cancel, sometimes out of breath. I began to suspect that she was cheating on me, but I couldn't ever prove it. The thought of another guy fucking my girlfriend was too much to bear. I tried to push the thought out of my head.

Then came that fateful Saturday when she invited me to a coffee shop to "talk about our relationship." She laid it all out on the table. Yes, she had been seeing somebody else. No, she couldn't decide who was more important to her. Yes, she still loved spending time with me. No, she wouldn't tell me who was better in bed. Then she said, "Melissa is just a different kind of person. She's really special. I think you two should meet."

I could feel my worries disappear in an instant. They were replaced by horniness. Meeting my girlfriend's girlfriend. I knew what I hoped would happen. It turns out it was what Mia was hoping for, too.

I met the both of them at Mia's apartment the next night. Melissa was a short blonde with a firm rack and a tight ass. That's my type. It didn't take long before they were making out in front of me. I seized the opportunity and whipped out my cock. I watched their tongues dart in and out of each other's mouths and played with my now rock-hard cock. Mia's hand reached out and she grabbed my boner, pulling me towards them. Then she gripped the back of Melissa's head, bunched up her hair and shoved her open mouth down onto my dong. "Taste it. Tell me how your first cock tastes, dyke."

Now, every man can know the power of having a huge cock!

INCREASE YOUR PENIS SIZE

HOW IT WORKS

- This is not a penis pump. This is not a sex toy. The Bathmate uses hydraulic pressure to expand the blood vessels and tissue in the penis. With a thorough regimen of daily use, results gained will continue to develop.
- Water creates a far more powerful vacuum than air, which in turn leads to greater power to increase penis size and to exercise the penis. Warm water develops blood flow while cushioning and lubricating the penis as it expands to fill the tube.
- Temporary gains in length, girth, erectile strength and stamina will occur after first use. These results may range from 0.25" to 1.00" in girth. Length will vary with participant, but all gains improve with time.

Finally, penis enlargement that really works!

Melissa was awkward at giving me head, but I relished the thought that my precum was the first she'd ever tasted. I just had to get inside of her pussy, and Mia was warming it up for me. I looked down and saw her head buried in a labial wonderland, voraciously licking and slurping on Melissa's very wet mound. I withdrew my cock and flipped her over, so that she was on all fours and her head was now next to Mia's pussy. Without hesitation, she instinctively began to work on the clit. I can only imagine how good of a lesbian lay she was, but I can tell you for sure that she had the tightest pussy I've ever felt. I thought for a second that I was in her asshole. It had the same resistance at first. But I eventually worked up to a good pace and soon she was squealing with delight. She'd probably only ever had dildos inside of her.

When I finally had to bust, Mia told me to cum inside of Melissa. I know it's stupid because a lezzie wouldn't be on birth control, but I couldn't help it. I didn't have a choice. I pumped her virgin cunt full of my seed and I withdrew my sticky sword. Without hesitation, Mia's tongue took my cock's place and she sucked my cum out of Melissa's quivering cunnie.

We never had another threesome, and Mia and I called it quits a few weeks later, but it was the most intense fuck of my life.–J.A., Boise, Idaho *NC*

Groton, Connecticut Go-go dancer

"Groton is a big Navy town. The New London submarine base is there. It's really convenient for me because I love fucking sailors. I've done so many of them that they introduce me to the younger guys whenever we go out as The Cougar. I'm not thrilled about that name because I'm only 31, but I like the sentiment. I am always on the hunt for hot dick. That's why I called you guys. I really wanted to fuck on-camera, but I didn't know who would shoot me. I'm not a pornstar or anything. I'm just a girl who wants a big dick to fuck me hard."

"I can't wait for my friends to see this!"

"You need to slap my ass when you fuck me that hard."

“I don’t just like guys. I also really love hooking up with girls. Girl-on-girl porn is also the only kind I watch when I masturbate. I love picking up sexy girls when I’m out and having one of my hot boy-toys meet us back at my place. There’s nothing better than enjoying a guy and a girl at the same time. Threesomes are so wonderful because everybody gets a little bit of whatever they like!”

“You can definitely tell that I put out when you see me on the streets. I love dressing slutty in public. I wear short shorts, low-cut tops and cowboy boots. I won’t wear panties most of the time, either. I love bending over and giving guys a good peek at my thighs, ass and pussy. It turns me on to know that they’re eye-fucking the shit out of me. I especially love doing it to older guys. I love older guys and they certainly seem to love me! They’re more aggressive, which I enjoy. I like guys who go out of their way to talk to me.”

"I hope my Navy guys post these pics on their walls."

“Anal play can be super fun when it’s performed correctly. A guy needs to know what he’s doing before he dives into it, though. I mean, practice makes perfect, but I don’t want a novice practicing on my asshole! I just can’t deal with the pain associated with improper ass handling. I also hate it when guys can’t lick my pussy the right way. I’m always like, ‘Just stop and stick it in me. You’re never going to get anywhere doing that.’ Those are the guys I don’t keep around. I don’t have time for bad sex. I need to find partners who can follow through and finish strong.”

"I always
make sure to
get every
drop of
cum."
